

PBRC BOW TIE RACE – RULES & SETUP

04/07/2004

BOW TIE RACE

BOW TIE RACE

Pattern of run beginning on left side of center cone: Rider crosses timer line, curves (right) around the center cone, a right turn around upper and lower cones, goes on right side of center cone, then makes a left turn around upper and lower left cones, a right turn around center cone and back across timer line. Pattern beginning on right side of center line cone will be curved left, two left turns, left side of center cone two right turns, left turn around center and back to cross timer line.

EQUIPMENT

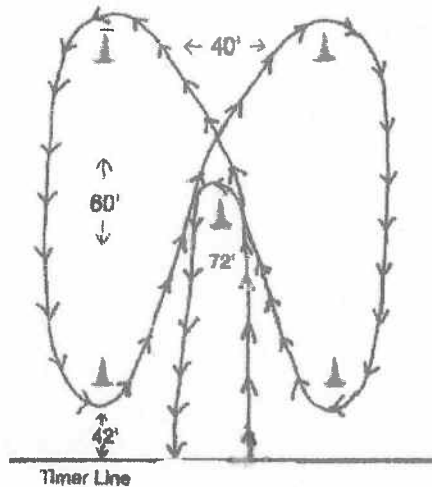

Five traffic cones: the center cone is 72 feet from timer line, the lower left and right cones are 42 feet (40 feet apart) from the timer line and the upper left and right cones are 102 feet from the line (40 feet apart)

PENALTIES

Five seconds will be added for knocking over a cone.

DISQUALIFICATIONS

1. Failure to complete or breaking the pattern.
2. Horses foot passing over cone, instead of around it.
